**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

Duke just increased our rates last year. I have not had an increase in my pension/retirement income in the past 3 years. In addition, things keep going up. Duke does not need an increase. Let them find ways to save money just I have had to do while gasoline, propane, food, health cost, etc. continues to erode more and more of my spending funds. I trust you will protect the public for which you serve and deny the increase they have requested. Thank you

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***  
(This section should be completed.)

No, I want you to do this on my behave.
